Points

Sauvignon Blanc, Nelson

Starting rather muted on the nose, the Nelson power is on the blackcurrant and green apple fruit palate. The fruit is understated, but the juicy, sinewy quality hints that the wine will open and become richer.

Drink 2014 - 2016

Christine Parkinson, Decanter, March 2014

The 2013 Old Coach Road Sauvignon Blanc is a pure cool climate Sauvignon Blanc. In the vineyard, leaves were removed from around the fruiting zone to allow light penetration and air movement around the ripening bunches. Parcels of fruit were picked when flavours, sugars and grape acids were nicely in balance, giving fruit with intensely varietal flavours and a fresh, lasting acidity.
