Viticulture and Wine Making

All Carrick Rieslings are hand harvested, and picked early to preserve the powerful floral aromatics and bright citrus acidity which are characteristic of Central Otago.

The wine has been whole bunch pressed and fermented with wild yeast. The gentle handling of this wine means that it has been bottled without fining.

Tasting Notes

This wine has an exotic nose with increased awareness of wax and citrus pith, reinforced by marmalade and grapefruit on the palate.

Complex and textural in nature it stands to gain a lot with careful cellaring.
