MAIMAI

Vineyard

The fruit for this Rose comes off our Merlot block in the Bridge Pa triangle. Early in the Merlot fermentation when the colour was just right we bled off this juice and managed it separately to ensure the freshness and fruit flavours were retained.

Appearance

Beautiful Bright Pink with even colour through the bowl. Very pretty and inviting peach blossom appearance.

Aroma

Lifted and lively the nose of strawberries and roses is very pleasant. Very appealing and inviting.

Palate

Fresh and clean the palate displays lovely lightness that lingers and fills the mouth with summer fruits and flowers.
